### Ready-to-use pedestrian gate for quick and safe access

#### Versatile pedestrian gate for any location

This pedestrian gate with hinge and wheel is ideal for temporary access points on construction sites or event locations. Its smart design, with a fixed hinge and practical wheel, ensures the gate swings smoothly open and closed without the need for extra support. It also clearly marks where people can enter or leave the site.

- Fitted with hinge and wheel
- Clear access point in any fencing line
- Quick to install and ready for immediate use

#### Fully equipped and easy to install

The gate is delivered complete and ready for direct installation. You only need to add one fence clamp to attach the pedestrian gate to the fencing line. Within minutes, you create a safe and user-friendly pedestrian passage. Thanks to its robust finish, this gate withstands daily use at any temporary location.
