## Efficient vehicle access with a sturdy and user-friendly gate

### Simple vehicle access at temporary sites

The Round Top gate is designed to create clear passages for vehicles on construction sites and other temporary areas. Thanks to its rounded top, the gate not only has a distinctive appearance but also a stable construction. With the integrated lock, wheels and fixed hinges, this gate is ready for immediate use.

- Clear vehicle access
- Supplied with lock, wheels and hinges
- Easy installation with standard clamps

### Practical, robust and ready to use

This gate is the perfect solution when you need to quickly create reliable access between separate zones. Its durable finish guarantees a long service life, even under heavy daily use.
